PARTNER WITH HITCON 15

Build visibility. Contribute knowledge.
Create meaningful healthcare connections.

1 Why Partner

01

Build credible
visibility within
the healthcare
ecosystem

02

Contribute to
healthcare
education and
knowledge exchange

03

Engage with
institutions, industry
leaders and
innovators

04

Showcase
relevant technologies,
solutions and
capabilities

05

Explore meaningful
institutional and
ecosystem
collaborations

2 Partnership Possibilities

01

Knowledge and Education Partnership

Support relevant sessions, masterclasses
or expert conversations.

02

Innovation and Experience Partnership

Associate with technology showcases,
innovation zones, demonstrations or
startup engagement.

03

Event and Supporting Partnership

Support the broader event through suitable
branding, participation and ecosystem
association.

*Presenting, principal and category-exclusive partnerships may also be explored
based on the scale of **engagement** and **mutual discussion**.*
